Sir:

In accordance with the continuing duty of disclosure imposed by 37 C.F.R. §1.56 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Applicants hereby direct the Examiner's attention to the references **AA** through **AB** listed on the attached revised form PTO 1449. Legible copies of the references **AA** through **AB** are submitted herewith.

Identification of the listed references is not to be construed an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449 since this form identifies all of the references cited therein as "Prior Art." As an alternative, Applicants submit herewith a "revised form PTO 1449" entitled "List of References Cited by Applicant" instead of "List of Prior Art Cited."

Applicants respectfully request that the Examiner review the listed references and that the references be made of record in the file history of the application.

Submission of this Information Disclosure Statement is after the mailing date of the first Office Action on the merits, therefore, pursuant to 37 C.F.R. § 1.97(c), the fee due for the filing of this Disclosure Statement is believed to be **\$180.00**. Please charge the required fee, including any deficiencies in the amount estimated to be due, to Pennie & Edmonds LLP Deposit Account No. 16-1150. A duplicate of this sheet is enclosed for accounting purposes.

Respectfully submitted,
